

**TO: Builders, Design Professionals, Code Officials and Consumers**

**FROM: Development Services Department  
City of San Antonio, Texas**

The San Antonio Building Codes Academy (SABCA) of the Development Services Department will be hosting four one-day seminars presented by the International Code Council (ICC). These seminars will cover the 2006 International Residential Code (IRC) Significant Changes and the 2006 International Building Code (IBC) Significant Changes. The ICC instructor conducting all four seminars will be [Mr. Robert Shultz](#), P.E., P.S., C.B.O. Early Bird registration seminar fees are \$125.00 per session per person if paid by September 15, 2006. After that, [registration](#) seminar fees are \$150.00 per session per person up to the day of the seminar (seating available). Registration fees include a \$32.50 workbook per seminar if registration fee is received by October 2, 2006. Sorry, those registering after that date will not receive a workbook. Codebooks are recommended for each seminar, are not included in your registration and may be ordered separately from ICC at <http://www.iccsafe.org>. The seminars will be held in the [Mission Room](#) of the [Henry B. Gonzales Convention Center](#), 200 East Market in San Antonio with several [parking facilities](#) nearby. Seating is limited to 150 attendees for each session so early registration is encouraged. Please enter the convention center from the north side of the building from Market Street.

## **IRC/IBC October 2006 Seminar Instructor**

### **Robert J. Shultz**

The ICC instructor conducting the seminars for SABCA is Mr. Robert Shultz, P.E., P.S., C.B.O. Mr. Shultz is currently the Manager of Instructors for the International Code Council (ICC) responsible for the oversight and quality of ICC's cadre of staff and contract instructors. He was Chief Building Official for several central Ohio jurisdictions including 10 years with the City of Powell, OH as their CBO, City Engineer and Director of Public Services. Prior to that, Bob was the Chief Engineer for the Ohio Department of Health where he chaired the state's plumbing advisory board and was a voting member of the Ohio Board of Building Standards. He has over 31 years experience as a combat engineer with the U.S. Army, the Ohio Army National Guard and the Corps of Engineers.

Mr. Shultz is a civil engineering graduate from Ohio Northern University with graduate studies in environmental law, land use planning and public administration from The Ohio State University and the University of Southern California. He is a registered Professional Surveyor and Professional Engineer, is an ICC-certified Chief Building Official and holds Ohio certifications as Master Plans Examiner, Building Inspector, Mechanical Inspector, Plumbing Inspector and Electrical Safety Inspector. He teaches structural and non-structural IBC courses, all IRC courses, mechanical and plumbing code courses; and the legal aspects of codes and administrative topics.

Please welcome Mr Robert Shultz to these SABCA training seminars!
